

# MARGARITA

medium drink  
digestive

prepared in:

boston glass

served in:

margarita/martini glass

alcohol content:

31,4% vol

## INGREDIENTS

6/10 of white tequila  
3/10 of triple sec  
1/10 of lime juice

## METHOD

Keep the martini glass cool with ice.

Fill the boston glass with ice and put 6/10 of tequila, 3/10 of triple sec and 1/10 of lemon juice.

Shake and pour into the martini cup with the strainer.

Garnish by wetting half the edge of the glass with lemon juice and soaking it into salt.

# Behind the cocktail

Cocktail name: Margarita.

Creator: Carlos Herrera.

Venue: south California, Restaurant Rancho la Gloria

Story: According to William Grimes, many people claim to have drunk Margarita in Mexico as early as the 1930s, which suggests that margarita was invented before 1940. There are three candidates to the title of Margarita creator: Daniel Negrete, Carlos Herrera and Margaret Sames.

Alcoholic base: tequila.

Type of preparation: shaken.
