# Behind the cocktail

Cocktail name: Mojito.

Creator: Sir Francis Drake.

Venue: Cuba XVI century.

Story: the origin of Mojito is controvesial. A cocktail similar to Mojito is said to be invented by the famous pirate Drake. That version was prepared with low qality aguardiente, lime, water, cane sugar and a local species of mint, Hierbabuena. In the mid.1800s, Bacardi company gave a boost to the popularity of the drink, which however will reach its definitive popularity only int he 20th century.

Alcoholic base: white rum.

Type of preparation: pounded and built.
