

Nuclear bomb smoothie

Ingredients:

160g uranium 125
3 small radioactive apple
3 mutated kiwi
3 blue strawberries
150ml experimental yogurt

Warning
(this smoothie is an
experimental voltec
product we do not
take responsibility
for any collateral
damage.)

Preparation

Put the ingredients in a blender
and process until completely
smooth.

pay attention to uranium while
blending everything.

pour everything into a shaker and
shake well.

put in the fridge for two hours
until uranium activates. pour
everything into a glass and you're
done.

Ivan caviglioli.
