After dinner

prepared in:

Boston shaker

served in:

Cocktail glass

alcohol content:

30,3%

## INGREDIENTS

-5 cl of brandy

-2 cl of crème de menthe

## METHOD

Pour the ingredients into a Boston shaker, mix and strain into a previously cooled cocktail glass. Garnish with a mint leaf.

# Behind the cocktail

Cocktail name: Stinger.

Creator: unknown.

Venue: unknown.

Story: the only certainty is that it was one of the most famous pre-Prohibition drinks. The name could derive from the stinging effect of the mint in the mouth, but nothing is proved.

Alcoholic base: brandy.

Type of preparation: shaken.
